Notes to Editors

@UK PLC

@UK is Europe's leading Cloud Platform with over 1 million users, which is used for University and College's procurement along with Local Authority, Schools and other Government and Private sector procurement.

The GeM marketplace for Universities on Colleges is the only card based national marketplace in the world and was successfully delivered for the 800 Universities and Colleges and the 680 National Suppliers, proving that Cloud Ecommerce delivers large complex projects for Government on time and budget.

Richard Benyon MP, launched the @UK Green Ecommerce Marketplace back in October 2010, and it is now the largest repository of product carbon footprints in the World.

@UK was used by the National Audit Office to identify over £ 500 million in savings for 25% of NHS spend. The ground breaking SpendInsight system used to identify the savings resulted in the award of 2 PhD's in artificial intelligence.

@UK delivers key government commitments of Savings Sustainability, and SME Inclusion along with support for Start Ups. @UK PLC has now created over 200,000 start up businesses and recently launched a new Cloud-Start-Up.com service to provide a complete suite of cloud business software to startups along with the essentials of Limited Company, Bank Account, Domain Name, Email, Ecommerce, Accounting system and membership of the @UK business club.

@UK has 6 key competitive advantages

- SpendInsight uses unique artificial intelligence to automatically identify savings and is available on a national framework contract
- Ecommerce Marketplace realises the savings through correct pricing vs catalogue marketplaces which are unable to support carriage, or complex pricing
- GreenInsight provides unique sustainability analysis and
- Hybrid Carbon Footprints enabling universal carbon footprints at a price break through of £4 per item
- High performance cloud technology underpinning the system
- Start up service allowing start ups to immediately start trading

@UK is included in the Software and Computer Services Sector (9530).
